

WHY WAS "WARLOCK'S REVENGE" CHANGED TO "CRYPTS OF ETERNITY?"

DAVE: Well, it was never really WARLOCK'S REVENGE it was just WARLOCK.

TOM: We just had the music for the song and in the studio we would just say "let's do the warlock song." When we gave it lyrics we changed the name to CRYPTS OF ETERNITY to make it have that wicked sound to it.

WHY WASN'T THE SONG "ALTER SACRIFICE" PUT ON THE NEW ALBUM?

TOM: It crammed the record, it was a long song.

WILL IT BE ON THE NEXT ALBUM?

TOM: Yeah, it will probably be the title song. The engineer said not to put it on this record because it would cram the record and for us to save it so we just said "hey, now we have a start on the next album."

WHEN WILL THE NEXT ALBUM BE OUT AND CAN YOU TELL US ANYTHING ABOUT IT?

TOM: We take everything day by day. Jeff has a few new songs and Kerry has a ton of new songs. From what I understand they are going to be driving songs.

WILL "ALTER SACRIFICE" BE THE NAME OF THE NEXT ALBUM OR THE NEXT EP?

TOM: I think that it will be the name of the album. But we will be releasing another EP to give everybody a taste of the next album. I think that releasing singles prior to the release of our albums will be like a trademark for us from now on.

HOW DO YOU COMPARE "HELL AWAITS" TO "SHOW NO MERCY" AND "HAUNTING THE CHAPEL?"

TOM: HELL AWAITS is definately a heavier album. It's a lot cleaner
