

BORING NEWS*** BORING NEWS*** BORING NEWS*** BORING NEWS***

IRON ANGEL has been signed to STEAMHAMMER Records in Germany (the same label as DESTRUCTION) and they should have an album out soon.

The total Death-Hardcore band from NY called MAYHEM has given their Bassist Tony Marc the boot and recruited Craig Setari from the NY band SMEGMA and now they can do nothing but get even faster and better (IS IT POSSIBLE?)

The great NY hardcore skinhead band called THE CROMAGS will have an album out really soon (IT IS PROBABLY OUT AS YOU ARE READING THIS) Buy it, it can be nothing but good!

Mike Dean and Reed Mullin from the great hardcore band CORROSION OF CONFORMITY got stabbed while retrieving equipment from some scumbags that were trying to steal it in Durham, North Carolina. They are alright though so don't cry or nothin'

Metal Blade has started a new label called DEATH RECORDS. This label will put out hardcore, punk and death bands and anything else that is underground. The first two bands to be signed to the new label are CORROSION OF CONFORMITY and THE MENTORS.

HALLOWS EVE has been signed to Metal Blade and the album is probably out as you are reading this or soon afterwards.

The members of the NJ band WHIPLASH were in a car accident I know that they were all hurt but I don't know how badly. Get well guys.

ANTHRAX have totally wimped out!!!!!!!!!!!!

Scientists have determined that woodchucks can chuck 37 pieces of wood in one minute.

The NY band CARNIVOR have been signed to Road Racer Records of New York (who cares- another MANOWIMP clone).

The amazing death metal band from Florida ^{DEATH!} has kicked out their drummer and they need a new one. If you are interested and serious call Chuck immedieately at 305-331-7255. NO WIMPS!!!!!!!!!!!!!!

Lars Urlich of METALLICA hasn't said anything stupid in 10 min.!
